Environmental Affairs Coordinator
Barrick Mercur Gold Mine
P.O. Box 838
Tooele, Utah 84074

Dear Mr. Eurick:

Re: Final Approval for Permit Revision, Sunrise Waste Rock Dump & Dump Leach Area
No. 3, M/045/017-88(1), Tooele County, Utah

The Division and Board have completed the evaluation of Barrick's recent responses to our July 12, 1990 letter, which address the remaining technical concerns for this permit revision. Barrick has now provided sufficient information to satisfy the Division and Board's concerns. The Division hereby grants its final approval for this permit revision.

Enclosed for your files is a copy of the signed Reclamation Contract and Self Bonding and Indemnity Agreement forms. We look forward to hearing from Mr. Dave Beatty regarding the scheduling of a meeting(s) with the Health Department to discuss final closure and reclamation details for Dump Leach No. 3.

Thank you for your continued cooperation and patience in finalizing this permitting action. Please contact me or D. Wayne Hedberg of my staff if you have questions concerning this approval.

Cordially,

Lowell P. Braxton
Associate Director, Mining
